**COUNTIES ACT AMEND-**

MENTS. The amended Counties Act that was

passed last session of Parliament came into operation on April 1st of this year. Under its provisions the annual meeting of the Council will be held on the fourth Wednesday in May, instead of November as under the old Act, and the chairman will be elected at that meeting, so the County Chairman this year will only hold office for six months.

Among the provisions of the new Act is one making a failure to pay rates a disqualification for voting purposes. Up till now if a person was on the ratepayers' roll he could exercise his vote at an election irrespective of whether he paid his rates or not. This meant that all land-owning but nonnatepaying natives were entitled to vote at County elections.

"It shall be the duty of the Clerk to seud to the Returning Officer, not later than ten days before the date fixed for the holding of any election or the taking of any poll, a list of all ratepayers whose rates or any part thereof are then unpaid and have remained unpaid for a period of not person whose name appears on the list furnished shall be entitled to vote."

Another alteration in the new Act makes it quite clear that any rates that cannot be collected are not included in the gross estimated income of the County. Mr Vernon Reed, M.P., who was chairman of the Parliamentary committee that drafted the bill, states that this will remove the disability under which some ridings have laboured of having to pay a proportion of County administration expenses based on their collectable rates. The representation of the ridings remain based on ratable value the clause of tue Act reading :-- " The Council shall on some day in September proceeding every general election, hold a general meeting for the purpose of considering the representation of the different ridings, and shall, if necessary, adjust the same so that the representation of the several ridings shall, as far as possible, be proportioned to the rateable value and number of electors in each riding respectively."

The general election of the Council is to be need triennially on the second Wednesday in May, and the first general election under the new Act, is to take place on the second Wednesday

An addition is made to the miscel-

lancous powers of the Council in that

"The Council may, with the consent of the Minister of Agriculture, con-

struct cattle-dips on any land acquired

or appropriated by it for the purpose,

and may make by-laws regulating the

Mr W. E. Barnard, solicitor, has decided to visit Warkworth on sale days, remaining until Saturday, and may be consulted at the TIMES Buildings.

The military sports to be held at Kaipara Flats on Friday, 15th inst., is sure to attract a large number. The programme of events is inserted today.

The N.Z. Loan & M.A. Co. have an attractive advertisement in this issue which farmers would do well to make a note of. The firm supply basic slag, manures for all crops, and seeds of all kinds which have been tested by Government Biologist. Enquiries are solicited.

The travelling correspondent of the Masterton Age writes :--- "The 'gentlemen who pay the rent are losing their prestige, if the market prices at the Carterton stock sale the other day can be taken as any indication. Weaner pigs that were fetching from 35s to 40s two months back sold as low as 4s 6d. Porkers, capable of turning the scales at 75lbs dressed weight, were passed in at from 35s to 40s. These pigs would have sold readily in November at 70s. Other porkers changed hands at from 21s to 26s 6d. Quite a number of vendors looked upon the market price as capricious and took their pigs home again. Buyers were timid, and there is every appearance that the price of pigs has dropped in sympathy with all other classes of stock.

Mr C. Cameron opened his dancing assemblies last night in the Town Hall, a fair number attending. Much interest centred in the waltzing competitions. Owing to Miss Bell, who was to have judged the competitions, being unable to attend, Messrs Geo. Johnston and Smytheman acted and placed Mr A. Powdrill first for gentlemen, and Miss Edna McKinney first in the ladies. Miss Bell is to be present to judge at the next competition in a month's time. Contests will be held regularly every four weeks turoughout the winter, and Mr Cameron is endeavouring to have the Northern Championships decided in Warkworth at a fancy dress ball to be held on 24th May next. The winners of the Championships for the past seven years have been :- Miss Laura Bell and C. Cameron (1913); Mr and Mrs C. Cameron (1914-1919), retired unbeaten; Miss A. Rowntree and Mr McGregor McKay (1920); and it now remains for a Warkworth couple to carry off the honours for 1921.

On Wednesday, 16th March, Madame Shoesmith gave a concert in the Warkworth Town Hall, and was assisted by several of her pupils and performers from outside. The hall was well filled, and the concert passed off successfully. Among the performers a young child-Miss Connie Barry-(a pupil of Miss Beresford), delighted the audience in her terpsichorean art, and Mr Mount, also from Auckland, supplied many humorous items. Miss Carmichael's singing was much appreciated. Solos and other items were also contributed by Messrs W. Purchase, S. Phillips and Miss Edna Phillips, Madame Shoesmith also taking part in a quartette. Miss in May, 1923. So the present Jackson played the accompaniments in Council will only hold office for two an efficient manner. After the con-

### PUHOI SPORTS.

The Puhoi Athletic Club held their first sports meeting on Easter Monday, April 28th, and it was a great success, large crowds of people attending from far and near.

There were 14 entries for the chief event of the day-the Puhoi Cup, of 150 yards-which was won by Roderick Jamieson, of Mahurangi. The sack race caused a great deal of amusement.

The two teams which entered for the tug-of-war were well matched and a very exciting pull resulted, the local team finally winning two out of three pulls.

The following are the results of the events :-

## THE PATEA SEAT.

There is likely to be some vigorous political campaigning in connection with the by-election caused by Mr Powdrell's death. Three candidates are in the field, Mr Edwin Dixon, Mayor of Hawera, in the Government interest; Mr W. Morrison, in that of the Liberals, and Mr Lewis McIlvride, in that of Labour. Mr Dixon, who has been a very active worker in the interests of the returned soldiers and of the Borough, and who has been in business in Hawera for the last 26 years, was chosen at a representative meeting of Government supporters, brought-together from all parts of the electorate, held in Hawera on

## **RODNEY GOLF CLUB.**

The annual general meeting of the Rodney Golf Club was held in the Warkworth Library on March 30th, there being a fair attendance.

Mr J. Morrison was voted to the chair and the secretary (Mr W. Culling), read the report and balance sheet, which were adopted.

The following officers for the ensuing season were elected :--Patron, F. Mander, Esq., M.P.; president, Mr G. Civil; vice-presidents, Messrs E. Morrison, A. J. S. Warin, E. M. John-son, W. T. Cook and A. S. Carran; secretary and treasurer, Mr V. Holden. Committee :- Misses E. Morrison and Trotter, Messrs McArthur, Pickering and Shepherd; greens committee, Messrs J. Morrison and W. Culling.

The annual subscription was fixed as follows :- Men £1 1s, ladies 10s 6d, honorary members 10s and 5s.

The matter of grounds was discussed and it was decided to play on Saturdays on the grounds of Mr W. Culling, who generously placed a large area at the disposal of the Club-During the week four or five holes will be available for practice at Mr Bailey's farm in the paddock on the river bank, and in Mr McArthur's paddock adjoining. The entrance will be the second gate in Mr Bailey's paddock.

A sub-committee was set up to visit Mr Culling's ground and to mark out a course. This has since been done, and the members are most enthusiastic as the ground is clean and the turf good, and a fine sporting course is assured. Arrangements are in hand for top-dressing the greens and getting everything in order for an early open-

ing day. The membership is already strong, but the committee will be glad to know of any old players and intending players.

## TENNIS TOURNAMENT.

A very successful tennis tournament was played on the local courts on Easter Saturday and Monday. The total entries numbered 49, the players representing Leigh, Pakiri and Whangateau, and aroused strenuous compe-tition. The following are results of the finals :- Ladies' singles, Miss E. Matheson beat Miss D. Greenwood; gents' singles, P. Dunning beat J. C. E. Wyatt; ladies' doubles, Miss E. Matheson and Miss D. Hewett beat Mrs Brown and Miss Frein; gents' doubles P. and Arch. Dunning beat J. C. E. and Jim Wyatt; combined doubles, P. Dunning and Miss D. Greenwood beat J. C. E. Wyatt and Miss J. Wyatt.

There were a number of interested spectators watching the different events. Lunch and tea was provided in the hall each day, and the ladies had a busy time looking after the wants of everyone. A successful dance was held in the evening.

A meed of praise is due to the energetic secretary (Mr Alf. Dunning), for the able manner in which the tournament was conducted, also to Messrs Alf. Gravatt and W. Dunning for handicapping the players.

> In many ways the census of 1921 is the most important in the history of the Dominion. Ahead lies the difficult path of post-war reconstruction, and a survey of the country's resources was perhaps never more necessary. All over the British Empire a census is to be taken, the dates being as nearly as possible coincident.

> The census of population, which is to be taken on Sunday, 17th April, is being directed by the Postal Department. The local postmaster (Mr L. Flower) has been appointed enumera tor for the Rodney County. Every-thing is now in readiness, and the forms are now being distributed to the sub-enumerators. Householders who have not received a schedule by Saturday, 16th April, should immediately communicate with the postmaster.

Three other gentlemen offered their services in the Reform interests-Mr Clutha Mackenzie, who contested the Auckland East seat against Mr Arthur Myers, and came within a hundred votes of winning at the 1919 election : Mr G. W. Pearce, the ex-member, and Colonel J. W. McDonald. The majority vote favoured Mr Dixon, who should have no difficulty in winning the seat, although it is recognised that he has a strong opponent in Mr Mitc-hell, while Mr Peter Frazer, M.P., President of the Executive of the New Zealand Labour Party, who has endorsed Mr McIlvride's candidature promises a team of Labour leaders to work the electorate on his behalf.
