WHANGATEAU.

(Own Correspondent.)

The annual public meeting of those interested in the New Year's Day Sports was held in the Whangateau Domain Hall on the 18th inst. Mr D. M. Darroch was in the Chair. The Secretary, Mr D. W. Knaggs, presented the balance sheet of the previous year, which showed a credit balance of £10/12/-.

It was unanimously decided to carry on the sports this year solely for Patriotic purposes, and all monies in hand, and also takings on the day, from all sources, be devoted to the Fund. The catering for the public is to receive special attention, and is to be divided into two sections, the novelty one being a Pipi (cooked) stall. Great preparation is being made in anticipation of this stall being well patronised.

Prize monies for running and other events will be paid as usual, to those who wish it, unclaimed monies to go to the Fund.

TAUHOA.

(A Correspondent.)

FAREWELL TO RIFLEMAN YEARBURY.

A very pleasing farewell to Rifleman A. J. Yearbury took place in the Victoria Hall, Tauhoa, on Thursday, the 2nd of December, in the form of a promenade concert and social. The hall was filled with well-wishers from all parts of the district, and all went home well satisfied with the night's enjoyment, and pleased at having the chance to say good-bye to Rifleman Yearbury who is liked by all who know him.

Rifleman Yearbury left for Auckland on the 3rd of December, on his way back to camp. He was the recipient of a nice pair of binoculars. It has been said by some that binoculars are not useful to privates, but I have been told by a soldier that they are useful for the purpose of locating snipers, who have been responsible for a lot of casualties amongst our brave lads who have heart and grit enough to shoulder the gun to help keep the grand old flag flying.

THE NEXT.

Claude Gibbs, son of Mr James Gibbs, is our next departure for training. We admire his pluck and wish him the best of luck. Like all British parents, Mr and Mrs Gibbs regret the necessity, but feel proud of their son for doing his duty.
